## **TO CHART AGENTS AND USERS OF THE**

### **Fairbanks VFR Sectional Aeronautical Chart**

The current, 66<sup>th</sup> edition of the Fairbanks VFR Sectional Aeronautical Chart will expire November 30, 2000, rather than the printed expiration date of December 28, 2000. The effective date of the next edition (67<sup>th</sup>) of the Fairbanks VFR Sectional Aeronautical Chart will be: November 30, 2000.

This change is due to the addition of the new Fairbanks VFR Terminal Area Chart (TAC) on the reverse side of the existing Anchorage TAC.

**CHART AGENTS – PLEASE POST THIS NOTICE**
